Lebensgemeinschaften

In this group consultation, we provide tips for finding housing and offer an overview of the public, private, and subsidized housing markets in Austria. We address your concerns about rising costs and share practical information about various subsidies, such as housing and rent assistance, as well as important points of contact.

The free online group consultations provide comprehensive information on important everyday topics. Our consultants offer valuable guidance, focusing primarily on the questions brought by you and other participants.

**Moderation:**  
**Antonia Hautum**, psychologist and counsellor at FIBEL
