Bikulturelle Ehen und
Lebensgemeinschaften

Austria offers many social benefits that support families. For intercultural families, it is important to know about these opportunities in order to live a secure and informed life in Austria. During this evening event, you will learn about the available social benefits and how to make use of them. You will receive a clear overview and have the opportunity to ask questions about your individual situation. The goal is to strengthen your family's resources and opportunities through information and exchange with others.

Moderation:

Mag^a Stanislava Schraufek Merdinger, psychologist, psychotherapist and counsellor at FIBEL
